Non-Civil Service Jobs in Pennsylvania

The commonwealth is constantly looking for qualified individuals in a wide variety of fields throughout Pennsylvania. Most jobs are full-time and offer competitive pay and an outstanding benefits package. Part-time, temporary and seasonal positions are also available.

Nearly one third of commonwealth jobs are non-civil service positions filled by the Bureau of State Employment. There is generally no examination required for non-civil service positions and you do not have to be a Pennsylvania resident.

Some of the fields we hire for include:

- administrative
- communications
- facilities management
- food service
- public safety
- skilled trades
