

Commonwealth of Pennsylvania
Governor's Office of Administration
Radio Technology Bulletin Common Document

Identifier/Title:	GEN003 Categories of Using Organization			
Document Type:	<input type="checkbox"/> BPD	<input checked="" type="checkbox"/> GEN	<input type="checkbox"/> OPD	<input type="checkbox"/> WHP

Common Documents (CDs) contain general information, such as a glossary, for reference by more than one policy or procedure document. The document identifier for CDs is the three-character Document Type, followed by three-digit sequence across all RDs. Valid supporting document types:

BPD = Best Practices	OPD = Operations Document
GEN = General Information	WHP = White Paper

Record of Changes

Ver.Rel	Issue date	Revised by	Status	Description
0.1	8/5/2008	J Seefeldt	Draft	Original issue
0.2	8/8/2008	J Seefeldt	Draft	Adaptation of wording for consistency with C Brennan classification of primary use
0.3	9/2/2008	J Seefeldt	Draft	Additional level of detail in taxonomy below Nongovernmental Organizations

Purpose

This document provides general information about the categories of organizations authorized to use the Pennsylvania Statewide Radio Network (PA-STARNet).

Content

Following is a classification scheme for types of organizations authorized to use PA-STARNet (see **Figure 1**—Categories of Using Organization):

1. Organizations Within Commonwealth of Pennsylvania Government

All departments, boards, commissions, and councils whose direct organizational affiliation falls within Commonwealth government.

1.1. Organizations Within the Governor's Jurisdiction

Among organizations within Commonwealth government, those that fall under the jurisdiction of the Governor of Pennsylvania.

1.2. Organizations Outside the Governor's Jurisdiction

Among organizations within Commonwealth government, those that fall outside the jurisdiction of the Governor of Pennsylvania.

2. Organizations Outside Commonwealth of Pennsylvania Government

All organizations whose direct organizational affiliation falls outside Commonwealth government.

2.1. Government Organizations Outside Commonwealth Government

All government organizations such as state, county, or municipal agencies that are not part of Commonwealth government.

2.2. Nongovernmental Organizations

All organizations outside the sphere of government.

Commonwealth of Pennsylvania
Governor's Office of Administration
Public Safety Radio Technology Bulletin

2.2.1. Legacy Business Partners

Organizations that have entered into an agreement with the Commonwealth under which they offer some form of nonmonetary consideration, such as frequency licenses or sites for system infrastructure, in return for permission to use PA-STARNet.

2.2.2. Technology Providers

Organizations that supply, maintain, or repair equipment or software integral to the operation of PA-STARNet and that use PA-STARNet as a means of communication to facilitate conduct of the services they provide.
