D.Ø POSTPONEMENT

Claims submitted for PACE, CRDP, SPBP and all ancillary programs administered by the Department of Aging must continue to be submitted in NCPDP v5.1 past the March 31, 2012 CMS deadline.

PACE is unable to process claims submitted in NCPDP version D.Ø. and must delay its implementation beyond March 31.

When a new implementation date is finalized, all providers and their software vendors will be notified at least 30 days prior to the conversion.
