		PENNSYLVANIA 2011
Col.	<b>Description</b>	<u>Instructions – Life, Accident and Health Insurers</u>
(1)	Checklist	The checklist <u>may</u> be used when submitting a filing; however, you are not required to file the checklist with either the Pennsylvania Insurance Department or the NAIC. If you choose to use the checklist, please place a check mark or X in column 1 for each item that is filed.

However, Schedule D "insert" pages and required one-page supplements may be reproduced with one-sided print.  Companies are not required to file financial information in an electronic format with the Department. However, an electronic filing must be made with the NAIC, either on the NAIC website at <a href="www.naic.org">www.naic.org</a> or by diskette. Companies that file with the NAIC via the internet are not required to submit diskettes to the NAIC. The NAIC will be providing additional instructions to assist you in filing with the NAIC. (4)	Number of	Indicates the number of copies that each foreign or domestic company is required to file for each type of form.

## (4) Number of Copies

Indicates the number of copies that each foreign or domestic company is required to file for each type of form. The Blanks (E) Task Force modified the 1999 *Annual Statement Instructions* to waive paper filings of certain NAIC supplements and certain investment schedule detail, if such investment schedule data is available to the states via the NAIC database. The checklists reflect this action taken by the Blanks (EX4) Task Force. **Some states have chosen to waive printed quarterly and annual statements from their foreign insurers and to rely upon the NAIC database for these filings. This waiver could include supplemental annual statement filings. The XXX in this column might signify that the state has waived the paper filing of the annual statement and all supplements. Foreign Companies: If N/A appears in this column, the filing or document is required or issued by the domiciliary state and is not required to be filed with Pennsylvania.**
