**PURPOSE:**

The purpose of this Aging Program Directive (APD) is to (1) delineate minimum requirements for FY 2011-12 Area Agency on Aging (AAA) program; (2) set forth procedures for the development and submission of the FY 2011-12 Aging Services Block Grant Amended Budget No. 1; and (3) transmit for planning purposes the FY 2011-12 funding allocation levels for each AAA.

## **BACKGROUND:**

This APD transmits, in one document, all key information required for the submission of the FY 2011-12 Aging Block Grant Amended Budget No.1. The AAAs are advised to refer to this APD frequently throughout the planning process for the development of these plans. Federal funding affected by this APD includes Title III (Grants 10AAPAT3SP, 11APAT3SP, and 12AAPAT3SP), Elder Abuse (Grant 12AAPAT7SP), State Health Insurance Assistance (Grant 1N0CMS020178-19-00) ADRC Transition (Grant 90OCT0162/01), MIPPA AoA (Grant 75-X-0142), MIPPA CMS (Grant IX0CMS330790-01-00), Lifespan Respite (Grant 90LR0024/01), ARRA Chronic Disease Self-Management Programs (CDSMP) (Grant 90RA0024), and AoA Relief and Recovery Assistance for Flood Resources (Grant 90DA2866).

## **BLOCK GRANT:**

The allocations distributed through the Aging Block Grant include Regular Block Grant, State Caregiver Support Program (SCSP), Federal Caregiver Support Program (FCSP), Nutrition Services Incentive Program (NSIP), APPRISE, Health Promotion, Medication Management, and Other funds.

AAAs should continue to refer to APD #97-01-02, "Accounting Manual for Area Agency on Aging Programs", and the Home and Community Based Services (HCBS) procedure Manual for definitions related to specific cost centers and service programs. Any fiscal instructions necessary to complete the contract process, and not included within the Accounting Manual, will be cited in this APD.

AAAs that operate/fund mental health referral programs must report these activities under the Information & Referral (I&R) Cost Center. AAAs may only utilize the approved cost centers when preparing the budget.

All AAAs will be organized in a manner which avoids conflicts with the mission and responsibilities of an AAA. At a minimum, the AAA Director and all subordinate staff must be free from any responsibilities for the oversight or operation of:

- Nursing facilities, personal care homes, home health agencies; and
- Any other organization which would be in a position to financially benefit from favorable decisions by an AAA.

### **MINIMUM PROGRAM AND FUNDING REQUIREMENTS FOR FY 2011-12**

The following requirements will apply:

#### **1. IN HOME SERVICE PARAMETER**

The Pennsylvania Department of Aging (PDA) has established a minimum parameter of 51.6% of funding levels for the provision of in-home services. The In-Home Services Parameter Schedule identifies the minimum amount each AAA must expend on in-home services for the FY 2011-12. The calculation base for the 51.6% parameter was the total amount of the original individual FY 2002-03 Block Grant allocations for the Regular Block Grant, SCSP, and FCSP Programs. The developed in-home services parameters for each AAA as shown on the In-Home Service Parameter Schedule of

the ABGATCHA is either the application of the 51.6% to the described calculation base or the total of the AAA's budgeted FY 2000-01 in-home service expenditures, whichever is less.

The following cost centers have been identified as in-home services for the purpose of meeting this parameter: Home Delivered Meals, Home Health, Personal Care, Personal Assistance Service, Overnight Shelter/Supervision, Environmental Modifications, Medical Equipment/ Supplies/Adaptive Devices, Home Support, Adult Day Care, Assessments, Care Management and Consumer Reimbursement.

## **2. PUBLIC HEARINGS**

A public hearing should be held with the issuance of this APD.

## **3. MANDATORY RETIREMENT**

Neither the AAA nor any AAA vendor may apply a policy of mandatory retirement to positions funded under this Application for Support.

## **4. ADMINISTRATIVE COSTS**

No more than 10% of the funds allocated in the Total Aging Block Grant may be budgeted and expended in the AAA Administration cost center.

AAAs must adhere to the requirements of APD #05-01-10, "Indirect Cost Policy for Department of Aging Contracts". This directive identifies that the maximum indirect costs for direct service contracts with public or private providers shall be the actual indirect costs or 2% of the agency's total direct service costs, whichever is lower. These costs are considered to be part of the AAA's Administrative cost center.

## **5. STATE CAREGIVER SUPPORT PROGRAM (SCSP)**

At a minimum the SCSP allocation must be budgeted on SCSP activities including administration. AAA administration costs charged to the SCSP allocation must not exceed 10% of the SCSP allocation. At least 55% of the allocated SCSP funding must be budgeted and expended for financial assistance to caregivers.

Of the SCSP allocation, no more than 20% of the amount budgeted and expended for financial assistance to caregivers may be budgeted and expended for home modifications and assistive devices.

The AAA may reallocate SCSP funds between SCSP budget categories in an amount up to 10% of the initial budget allocation or \$10,000, whichever is greater. All reallocations of SCSP funds between SCSP budget categories in excess of 10% of the initial budget allocation or \$10,000, whichever is greater, must receive prior approval from the Department of Aging.

No reallocation of SCSP funds shall be made that will result in non-compliance with the established minimal parameters.

In administering cost sharing for the SCSP, AAAs must comply with the provisions of the SCSP Cost Sharing Chart listed in the Caregiver Support Reimbursement Benefits Cost Sharing Guide.

The regulations governing the SCSP were published in PA Code, Title 6, Chapter 20, and effective July 11, 1992. Funds expended under the SCSP allocation must be administered in strict accordance with those regulations. AAA are also encouraged to review the requirements of the Pennsylvania Caregiver Support Act No. 112 of 2011.

## **6. FEDERAL CAREGIVER SUPPORT PROGRAM (FCSP)**

The total FCSP allocation includes the federal dollar amount representing a maximum of 75% of each AAA's FCSP budget and the 25% non-federal matching funds from the SCSP allocation as required. Each AAA must ensure that the SCSP match funds (identified on ABGATCHA - FCSP allocation schedule) are utilized for consumers who meet the program requirements for both the FCSP and the SCSP.

Only the amount of the total FCSP allocation must be budgeted on FCSP activities, including administration. AAAs are not permitted to exceed their allocated funds in the FCSP.

AAA administration costs charged to the total FCSP allocation must not exceed 10% of the federal allocation.

Of the total FCSP allocation, no more than 20% of the total allocation may be budgeted for Supplemental Services. The Department of Aging defines Supplemental Services as consumable supplies, home modifications and assistive devices.

The AAA may reallocate FCSP funds between FCSP budget categories in an amount up to 10% of the initial budget allocation or \$10,000, whichever is greater. All reallocations of FCSP funds between FCSP categories in an amount over 10% of the initial budget allocation or \$10,000, whichever is greater, must receive prior approval from the Department of Aging. All reallocations of FCSP funds shall comply with the established minimal parameters.

AAAs are encouraged to budget categorical funds prior to the utilization of local resources. AAAs should review the current caseload and/or waiting list for consumers who qualify for benefits in the FCSP. The FCSP allocation should then be applied to allowable costs associated with providing services to eligible consumers and their caregivers.

The policy governing the FCSP is included in APD #01-01-05 and #01-01-02. Funds expended under the FCSP allocation must be administered in strict accordance with these policies.

## **7. U. S. NUTRITION SERVICES INCENTIVE PROGRAM CASH**

The allocation amount is based on each AAA's cooperative agreement amounts.

Please note that NSIP expenditures are included in the calculation to meet the in-home services parameter.

## **8. APPRISE**

Funding for APPRISE must be dedicated to training sessions, Medicare Part D enrollment and information meeting, informational efforts, equipment needs such as laptops and LCD projectors, and other activities related to Medicare benefits, Medicare Advantage plan selection, Medicare Part D assistance, application for assistance and outreach to enroll people in the low Income assistance programs for Medicare premiums, and long-term care insurance. A minimal amount of funding should be designated to personnel cost. Federal funding for the APPRISE program requires that the program provide Medicare Part D assistance to the Medicaid/Medicare enrolled individual with a mental health diagnosis.

AAAs should carefully analyze its costs allocation methodologies associated with these funds. Funds for telecenters must be expended on the daily operations of the telecenters activities; this money must not be utilized for other activities.

Funding for the APPRISE Program is identified as a categorical allocation in the AAA's Total Block Grant. AAAs must continue to provide APPRISE Program services consistent with the established program requirements.

Funds for the AAA's APPRISE Program must be budgeted and expended on allowable activities in the Information and Referral and/or the Senior Community Center Services cost center(s). AAAs that receive funding for the telecenters and APPRISE Outreach must budget these funds in the information and referral cost center.

## **9. HEALTH PROMOTION**

AAAs must continue to provide Health Promotion Program services consistent with the established program requirements.

Funds for the AAA's Health Promotion Program must be budgeted and expended on allowable activities in the Senior Community Center Services cost center.

## **10. MEDICATION MANAGEMENT**

Funding for Medication Management activities is part of the AAA's Health Promotion Program. Funds for medication management screening and education to prevent incorrect medication and drug reactions must be budgeted in the Senior Community Center Services cost center.

## **11. OMBUDSMAN**

Each AAA must budget and provide monies for the local ombudsman program, or contracting provider, for recruitment, training and management of volunteers to perform activities as ombudsmen for the Long Term Care Ombudsman Program subject to policies and reporting requirements contained in APD #98-10-01. The corresponding amounts identified by AAAs are as outlined in the formulary in the attached ABGATCHA on the Ombudsman worksheet.

If the AAA utilizes a contractor to administer the volunteer ombudsman component, at least the amount of the ombudsman volunteer's allocation must be provided to the contractor for the volunteer

ombudsman program. These funds must be over and above any other funds expended on Ombudsman activities and must be reported in the Ombudsman cost center.

Note: The ombudsman allocations are subject to adjustment in subsequent budget amendments based on the performance of the local ombudsman program in relation to the performance of the volunteer ombudsman component.

Ombudsman allocations are to be used solely for the purposes of recruitment, retention, training and management of volunteers performing activities as ombudsman for the Ombudsman program.

Uses include:

Recruitment efforts; advertising, training, backyard training sessions, meals for volunteers, mileage for volunteers, and appropriate staff time. Staff time should be reflective of time spent on management of a volunteer ombudsman program.

Retention; ongoing meetings with volunteers, copying/printing of the ombudsman connection newsletter for volunteer ombudsman, training materials and stipends, speakers, meals, mileage, and volunteer recognition.

Equipment; the purchase of equipment to provide training such as laptop computer and LCD projector are allowed.

Uses do not include:

Cost of standardized orientation  
Meal provision for Backyard Tier I training

AAAs that receive PEER funding must budget and expend the funding on support and maintenance of the PEER project. If a contractor is utilized to administer the PEER project, must provide at least the amount of the PEER funding to the contractor.

Uses include;

Training costs for staff, support, copying, meals for PEERs, transportation, aides support and other services

Equipment needed to perform and support local PEERS Projects including laptop computers and LCD projectors.

AAAs that are assigned to provide the Lead Regional Ombudsman Coordinator or Regional Ombudsman Coordinators (ROC) activities must budget these funds in the Ombudsman cost center. PDA will negotiate separate budget and reporting requirements with the AAAs that are hosting the ROCs.

In addition, each AAA must budget an amount of funds equal to the AAA share of ombudsman activities charged to Older Americans Title III funds in FY 2000-01.

The ABGATCHA contains the minimum funds that must be budgeted for ombudsman activities. All ombudsman activities for all ombudsman funding sources, projects and program must be budgeted and expended in the Ombudsman cost center.

## **12. PASSENGER TRANSPORTATION SERVICES**

AAAs should continue to pursue funds available through Act 36-1991. AAAs directly receiving transportation funds (either operating or capital funds) must report these planned expenditures in the Aging Block Grant Application on the following documents:

The project revenue will be shown on line 95 of the Line Item Budget spreadsheet in the Line Item Budget workbook (LIB12XXY.XLS).

AAAs that are not directly receiving Shared-Ride Program funds must not report the funds received by other Shared-Ride Program providers. The amount the AAA plans to expend in co-payments for Shared-Ride service must be reported in the Passenger Transportation Services cost center. The funds used for co-payments must be reflected in the respective funding source such as; Block Grant, local cash, etc.

The Shared-Ride Program provides on-going funding for the purchase of capital equipment. Funds are available to subsidize operating costs for shared-ride and demand responsive transportation services. (Allegheny and Philadelphia Counties are not eligible for these capital funds).

The Department of Aging reaffirms its intent to promote the coordination and integration of transportation services for older persons with other local transportation systems. AAAs should refer to APD #85-07-01, "Passenger Transportation Services".

## **13. LEGAL ASSISTANCE**

In all subcontracts procured for legal assistance, the provider standards contained in 45 CFR Section 1321.71 (1988) must be addressed. The Department of Aging requires all AAAs to expend a portion of the AAA's Block Grant funds on legal assistance.

## **14. LINE ITEM BUDGET**

PDA will develop "placeholder" A01s for the allocations noted in this APD which will be used until AAA LIBs and A01s are received.

## **15. OTHER FUNDS**

Allocations have been included for those agencies that were awarded additional funds for community and other various grant projects. A brief summary of these programs can be found in Attachment B to this APD. Specific programmatic and fiscal guidance can be found in the grant application's guidelines and procedures as well as the grant's award notification letter.

## **16. DELIVERY OF SERVICES**

The Older Americans Act of 1965, as amended, requires AAAs to give preference in the delivery of services to those older persons with the greatest social and economic need with particular attention to

low-income minority individuals, low-income individuals and frail individuals (including individuals with any physical or mental functional impairment). In planning FY 2011-12 program budgets, AAAs should be guided by this requirement as well as their individual goals and objectives in determining funding priorities. "Greatest economic need" means the need resulting from an income level at or below poverty levels established by the U.S. Department of Health and Human Services (<http://aspe.hhs.gov/poverty/11poverty.shtml>). The 2011 figures define poverty as being \$10,890 for one person, with each additional person adding \$3,820.

"Greatest social need" means the need caused by non-economic factors which include physical and mental disabilities, language barriers and cultural, social or geographic isolation including that caused by racial or ethnic status which restricts an individual's ability to perform normal daily tasks or which threatens such individual's capacity to live independently.

Service delivery information in the SAMS/OMNIA data base will be used to determine service levels and the numbers of consumers served.

The appropriateness of the Assessment expenditures to activity will include a review and analysis of SAMS/OMNIA reports of activity. This review will be part of an overall analysis for increased assessment allocations.

## **17. ACCOUNTING MANUAL**

AAAs must comply with the "Accounting Manual for Area Agency on Aging Programs", (APD #97-01-02) and applicable federal and state regulations (e.g., 45 CFR Part 95, Circular A-87, Circular A-122, etc.) in the utilization of Pennsylvania Department of Aging Block Grant agreement funds.

## **18. AMENDMENTS**

As stated in the Cooperative Agreement, the Department of Aging has the authority to amend the Aging Services Block Grant allocation on an as needed basis. This may occur if the AAA has not expended an appropriate level of its annual allocation by December 31, 2011. Amended allocations may also occur if additional funds are awarded during the year.

## **19. FIXED ASSETS**

The definition of a fixed asset includes property of a tangible nature with a useful life of more than one (1) year and an acquisition cost of \$5,000 or more. Acquisition cost is defined as the net invoice price of the article plus the transportation charges, installation or setup fees and the cost of any necessary modifications, attachments or accessories.

When procuring fixed assets or facility space, the AAA must make an appropriate cost analysis of the lease versus purchase alternatives, and the most economical cost alternative must be chosen.

All proposed fixed asset acquisitions must be reflected in the Line Item Budget fixed asset schedule. Acceptance of a LIB by PDA is considered approval for the purchase of fixed assets shown on the Fixed Assets worksheet. For acquisitions of additional fixed assets during the year, the AAA must receive prior approval from PDA's Bureau of Program Integrity.

## **20. IN-KIND SERVICE VOLUNTEERS**

Where applicable the value of In-Kind Service Volunteers should be shown in the LIB as local in-kind contribution.

The budgeted amount must not be distributed to the respective cost centers to which the volunteer services apply.

## **21. PROGRAM INCOME**

APD #05-01-11, "Area Agency on Aging on Aging Program Income Policies", establishes the following policies for the retention of program income collections:

Federal Program Income -- All program income generated from services funded, in whole or in part, by federal Older Americans Act funds that is on hand as of June 30, 2011, must be budgeted and expended during FY 2011-12.

Local Program Income – The June 30, 2011, balance of local program income generated from services funded by non-federal sources must not exceed 10% of the AAA's total Block Grant allocation for FY 2011-12 or \$400,000, whichever is greater. These funds are to be budgeted and expended in consumer service cost centers.

Options State Cost Sharing Funds – The June 30, 2011, balance of Options State Cost Sharing Fund collections must be budgeted and expended during FY 2011-12.

Local fee scales funds received are reported as Options State Cost Sharing Funds.

Failure to comply with these policies may result in the reduction of Aging Block Grant funding to the AAA.

For FY 2011-12, seven (7) cost centers will contain Title III federal funds and all program income earned in any of these cost centers will be considered Federal Program Income. The seven cost centers are Home Delivered Meals, Congregate Meals, Senior Community Center Services, Passenger Transportation, Information and Referral, Legal Assistance, and Ombudsman. NOTE: Home Delivered Meals provided to Waiver consumers may not be purchased with Title III or Block Grant funds. Meals provided to Waiver consumers must be billed for reimbursement through the PROMISE system.

Federal Program Income must be budgeted and expended only in the seven (7) federally funded cost centers.

AAAs must comply with the provisions of APD #05-01-11 concerning excessive balances of program income collections. AAAs are advised that payments of funds on FY 2011-12 Aging Block Grant contracts will be contingent upon the compliance of AAAs with the federal and state requirements for program income and cost sharing fund balances.

If an AAA has excessive balances of Federal Program Income, Local Program Income or Options State Cost Sharing Funds as of June 30, 2012 (Fourth Quarter FRR), its Block Grant payment for

October 2012 and subsequent monthly payments may be reduced or withheld until the AAA achieves compliance with the established program income balance requirements.

Planned expenditures of accumulated, as well as anticipated, collections of program income and cost sharing funds must be included under "Other Resources".

## **22. MATCH FOR FEDERAL DOLLARS**

AAAs that intend to use Block Grant funds as match for other federal funding must notify PDA's Bureau of Finance in writing. PDA will issue a statement to the agency clarifying that only state funds are allocated to the affected cost center(s).

## **23. BUDGETING FEDERAL FUNDS**

AAAs are strongly encouraged to budget and expend Aging Block Grant and Federal Program Income funds, prior to allocating other resources to the federal funded cost centers. This will assist PDA in meeting federal spending parameters.

## **24. SENIOR CENTERS**

AAAs are required to request and receive written approval from the Office of Long Term Living's (OLTL) Bureau of Individual Support prior to implementing plans to open, close or relocate a senior center or a satellite senior center.

## **25. COMPLIANCE WITH COOPERATIVE AGREEMENT**

The AAA must comply with all the terms and provisions identified in the Cooperative Agreement between PDA and the AAA.

## **26. REIMBURSEMENT RATES**

The Commonwealth of Pennsylvania's Office of Administration establishes travel, lodging and subsistence allowable maximum reimbursement rates. AAAs are able to access the most current information on the Office of Administration's web site at [www.oa.state.pa.us](http://www.oa.state.pa.us). This information is found under Management Directives, Management Administration Support, #230.10 Commonwealth Travel Policy. Please refer to the most recent revision for the approved rates.
