

Scope and Sequence Template

<u>Technical Units</u> – Identify the technical course name(s) and/or major units associated with the State-developed Program of Study as applicable with hours. Units may include a group of tasks. Technical subject hours must comply with the minimum time requirements as identified in Chapter 339 Vocational Education Standards.

Academic Subjects – Career success and postsecondary education success require the same level of college prep coursework. The Pennsylvania Department of Education's (PDE) focus is to ensure that every student is prepared for college and a career. Academic courses such as applied math or general science <u>cannot</u> be listed on the program's scope and sequence. PDE's goal is to have all students perform at the competent or advanced level on the PSSA, and earn the Pennsylvania Skills Certificate on the end-of-program assessment.

	SECONDARY				POSTSECONDARY			
	Ninth Grade	Tenth Grade	Eleventh Grade	Twelfth Grade	Semester One	Semester Two	Semester Three	Semester Four
Technical Units								
English	College Prep English I	College Prep English II	College Prep English III	College Prep English IV
