

Application Schedule: County Treasurers will accept antlerless deer license applications from state residents beginning July 9, 2012. Nonresident applications will be accepted beginning Monday, July 30, 2012. **Applications received early will be returned to sender.** The antlerless deer application panel issued with a hunting license or the application form that appears in this Digest may be used to apply for an antlerless deer license. **Either type of form is valid regardless of when a hunter applies.** PALS automatically tracks allocations and monitors personal license limits so that hunters are not issued more licenses than they are entitled to at any given point in the process. With the exception of WMUs 2B, 5C & 5D, a person may apply for and receive no more than three antlerless licenses.

On Monday, Aug. 6, 2012, the first round of unsold antlerless applications from residents and nonresidents will be accepted by County Treasurers for WMUs with licenses remaining. At this time an individual may submit only one unsold application. Applying for more than one “unsold” antlerless license prior to the date for the second round unsold— except in WMUs 2B, 5C and 5D — is against the law and carries a \$100 fine. On Monday, Aug. 20, 2012, the second round of unsold applications will be accepted by County Treasurers for WMUs with remaining licenses. Once again, an individual may apply for only one unsold license. Overall, an individual may apply for and receive no more than a total of two unsold licenses statewide. In WMUs 2B, 5C and 5D, there is no limit to the number of unsold antlerless license applications an individual can make or receive (**No more than 3 individual applications per official envelope**). This can be done by mail starting Monday, Aug. 6, until allocations in those three WMUs are exhausted. **Over-the-counter sales in these three units only begin Monday, Aug. 27, 2012.**

Landowner Antlerless Deer Licenses: Applicants (residents and nonresidents) for landowner antlerless deer licenses must apply directly to the County Treasurer of the county where the qualifying acreage is located. **These licenses must be applied for prior to start of the regular application period, which begins the second Monday in July.** If the qualifying acreage is located within a county with two or more wildlife management units, the applicant selects the management unit he or she desires. If the applicant or his/her agent cannot apply in person, the applicant should mail their antlerless deer license application, proper remittance (\$6.70 for residents, \$26.70 for nonresidents), proof of ownership and a Landowner Antlerless Deer License Affidavit (available from Treasurers, PGC offices or on-line for a printable document) to the Treasurer in a plain envelope marked “Landowner Antlerless Application.” Applicants who apply by mail must include a self-addressed, stamped return envelope. Do not use the official antlerless deer license envelope or mail the material to the Game Commission.

Disabled Veteran Antlerless Deer Licenses: Qualified resident applicants for disabled veteran antlerless deer licenses may apply to any County Treasurer for the WMU they desire to hunt in. If an applicant or his/her agent cannot apply in person, applicants should mail their antlerless deer license application, \$6.70 remittance and supporting documents (Veterans Administration form letter), directly to a Treasurer in a plain envelope marked “Disabled Veteran Antlerless Application.” Applicants who apply by mail must include a self-addressed, stamped return envelope. Do not use the official antlerless deer license envelope or mail the material to the Game Commission. These licenses may be applied for at any time during the license year.

Armed Forces Antlerless Deer Licenses: Qualified residents serving on active duty in the U.S. Armed Forces, or within 60 days from honorable discharge, may apply to any County Treasurer for the WMU they desire to hunt in. If the applicant or his/her agent cannot apply in person, their antlerless deer license application, \$6.70 remittance and supporting documentation (official orders) may be mailed to a County Treasurer using a plain envelope marked “Armed Forces Antlerless Application.” Applicants who apply by mail must include a self-addressed, stamped return envelope. Do not use the official antlerless deer license envelope or mail the material to the Game Commission. These licenses may be applied for at any time during the license year.

Applicants who lose their antlerless deer license may obtain a replacement by applying to any County Treasurer. If the applicant or his/her agent cannot apply in person, their completed, mail-order Application/Affidavit for Replacement of a Lost Antlerless Deer License (see form in this deer section or go on-line for a printable document) and \$6.70 remittance may be mailed to a County Treasurer using a plain envelope marked “Replacement Antlerless Application.” Applicants must include a self-addressed, stamped return envelope. Do not use the official antlerless deer license envelope or mail the material to the Game Commission.

Replacement Antlerless Deer Licenses: Applicants who lose their antlerless deer license may obtain a replacement by applying to any County Treasurer. If the applicant or his/her agent cannot apply in person, their completed, mail-order Application/Affidavit for Replacement of a Lost Antlerless Deer License (see form in this deer section or go on-line for a printable document) and \$6.70 remittance may be mailed to a County Treasurer using a plain envelope marked “Replacement Antlerless Application.” Applicants must include a self-addressed, stamped return envelope. Do not use the official antlerless deer license envelope or mail the material to the Game Commission.

Pennsylvania gives us an opportunity to enjoy her wealth of diverse and abundant wildlife.

The Wildlife for Everyone Endowment Foundation works to conserve our rich heritage for future generations through education and preservation. Our Endowment Foundation has already invested **\$2 million in Habitat Improvement** to date, and with your help, we can do even more.
