

Hunt with a Veteran

Discover or rediscover the thrills and joys of hunting in Penns Woods.

The Pennsylvania Game Commission is pleased to be teaming up with the American Legion and Veterans of Foreign Wars to help veterans discover or rediscover the thrills and joys of hunting in Pennsylvania. Through "Hunt With a Veteran," hunters will have a chance to take a veteran out for anything and everything Pennsylvania has to offer, from white-tailed deer to black bears, wild turkeys to ring-necked pheasants, and much more.

Veteran's Day in particular (being observed Nov. 12 this year) may be the most appropriate day to personally give something back to any interested veteran who has given his or her all to protect America and our interests.

As an incentive to hunters who agree to Hunt with a Veteran, the Pennsylvania Game Commission is providing six framed fine-art prints for a drawing that will be conducted by the VFW and American Legion for all hunting "guides" who sign up for the program.

To be eligible to win one of six prints, a participating hunter must submit a brief email that outlines the name and address of the veteran taken afield, type of hunting taken part in, and county where the shared hunt took place.

If you're a VFW or American Legion member and taking a veteran hunting, please include your name, address and member number. All participating hunters, including those not affiliated with the VFW or American Legion, must send an email to either dsandman@vfwpahq.org or hq@pa-legion.com. A drawing will be held to select six winners from all emails received by December 31, 2012.

Hunters and veterans must meet licensing requirements and follow the laws and regulations that govern hunting in Pennsylvania.

This is an opportunity for you to do something special for the fine men and women who have served or continue to serve in America's Armed Forces.

Step up. Make a difference.
