

## **Getting Pennsylvania Out of the Liquor Business**

## **Let Your Voice Be Heard!**

## Pennsylvanians Want Choice and Convenience

- Pennsylvanians should be able to enjoy the same convenience and selection that virtually every other American has today.
- 3 out of 5 Pennsylvanians favor getting Pennsylvania out of the liquor business.
- 52% of Democrats and 71% of Independents support ending the state run liquor monopoly
- Even a majority of union households (58%) support our effort.
- By allowing for private liquor sales, we can bring consumer choice and convenience to every Pennsylvanian.
- Governor Corbett is still committed to investing the profits from this effort in his Passport for Learning education block grant program
