

STATE GAME LANDS REGULATIONS

The Pennsylvania Game Commission owns and manages for wildlife and people more than 1.4 million acres of State Game Lands throughout the commonwealth. An additional several million acres are enrolled in PGC hunter access programs. (Sportsmen are also welcome on 2,200,000 acres of state forests and selected state parks; the 510,000-acre Allegheny National Forest; and several sizeable federal properties administered by the U.S. Fish & Wildlife Service, National Park Service and the Corps of Engineers.)

Hunters are reminded that hunting or discharging firearms, and use of off-road vehicles, including ATVs, are prohibited on National Park Service (NPS) lands acquired for the protection of the Appalachian National Scenic Trail. Individuals can now possess firearms on national park or refuge lands if they are legally permitted to carry a firearm in the state and municipality where they are located. Sections of the Appalachian Trail that run through State Game Lands are not subject to these regulations. Maps that show the NPS lands where hunting is prohibited are available for viewing at the Appalachian Trail Conference Regional Office in Boiling Springs, PA 717-258-5771.
