JUNIOR PHEASANT & RABBIT HUNTS—Oct. 12-19

The week of Oct. 12-19 is an open season for junior hunters to pursue both pheasants and rabbits. You must be 12 to 16 years old and accompanied by an adult as required by law. A hunting license is not required, but youngsters must have successfully completed a Hunter-Trapper Education Course and abide by the same bag limits and regulations governing "Male Only Pheasant Wildlife Management Units" during the regular season. See below for stocking locations. Note that pheasants and rabbits are not included in the species that can be hunted by youngsters under 12 who participate in the Mentored Youth Hunting Program.

Junior Pheasant Hunt Events:

About 3,000 additional pheasants will be stocked throughout the state as part of the Junior Pheasant Hunt Program. Various sportsmen's groups across the state will organize one-day junior pheasant hunts to teach new hunters the sport. Again, hunters must be 12-16 and must complete a Hunter-Trapper Education course. A hunting license is not required.

For a list of events in your area, visit www.pgc.state.pa.us, select the "Education" tab, "Go Hunting and Shooting" tab, "Youth Programs" tab and then "Junior Pheasant Hunt Program." Preregistration is required and spots fill quickly, so check the website often to find the latest information on these events. For more information, contact **Recruitakid@pa.gov**

Conservation Organizations Involvement in Youth Pheasant Hunts:

Use these special hunting opportunities to get more youth involved. Your club or organization can host a junior pheasant hunt and the Game Commission can help. If interested, download a copy of the *Youth Hunt Planning Guide* from www.pgc.state.pa.us. Contact Recruitakid@pa.gov to enroll your hunt in the program. The Game Commission can provide pheasants and help publicize your event on our website. Don't miss out on this opportunity to teach a new group of hunters the sport and pass on Pennsylvania's hunting heritage.
