## CONSTABLES' TRAINING BULLETIN

NUMBER 73

JANUARY 2013

To all constables and deputy constables: As you are probably aware, beginning in 2013, there are several new contractors providing constables' training across the Commonwealth. Please be patient. 2013 will be a transition year. In most cases, the changes listed below were necessitated by the contractor's not liking a new training facility, or because there were unforeseen increases in fees for holding training there.
