5. The term of this Order shall remain in place for a period of five years and, thereafter, unless and until the Department or the Commissioner terminates the Order. Nothing in this Order shall preclude the Department, the Deputy Commissioner or the Commissioner, in their sole discretion, from decreasing or lessening the restrictions contained in this Order in whole or in part while it is in effect. Any such lessening of the restrictions contained in this Order shall be made in writing by the Department, the Deputy Commissioner or the Commissioner in accordance with the procedures set forth in paragraph 14 of this Order. Further, Applicant shall not apply nor otherwise seek to reduce or remove the restrictions contained in this Order for a period of at least five years.

6. Following the five-year period referenced in paragraph 5, above, this Order shall continue unless and until the Department affirmatively terminates it. Nothing in this Order shall be construed as conferring upon Applicant any property right or interest as a result of receiving this conditional consent to engage in the business of insurance in accordance with the terms of this Order. Applicant expressly waives any right to assert that she is entitled to a hearing on the termination of this Order following the expiration of the five-year period referenced in paragraph 5. In the event Applicant's conditional consent, and licenses are suspended pursuant to paragraph 8 above, and Applicant either fails to request a hearing within 30 days or at the hearing fails to demonstrate that she is worthy of a license, Applicant's suspended conditional consent, and licenses shall be revoked.
