## **PROVIDER BULLETIN**

May 15, 2014

### **SPBP REENROLLMENT AGREEMENT**

At the end of May, providers enrolled in the Special Pharmaceutical Benefits Program will be sent a SPBP re-enrollment packet. Included in this packet will be the new Agreement, a cover letter from the Special Pharmaceutical Benefits Program explaining the reason for the re-enrollment and a self addressed return envelope to facilitate its return to the Program.

SPBP Agreements for chain providers will be sent in one shipment to the corporate office.

To facilitate the re-enrollment process, all information that is required on the Agreement has been preprinted from the individual provider's file. The Agreement only has to be reviewed, signed, dated and returned.

All new SPBP Agreements must be returned prior to August 1, 2014.

Questions should be directed to Provider Services at 1-800-835-4080.
