

## Sample “Go Kit” List

Bright-colored bucket with lid. The bucket should be stenciled with the classroom number for visual identification. Another suggestion is using a backpack to allow the teacher to have his/her hands free during the evacuation. It can hang on a hook just inside the classroom door for easy access.
First Aid kit.
Hat, vest, or other unique identifier for the teacher and aide. Make them uniform and plain.
Whistle.
Student Accounting paperwork.
Tarp or ground cover.
Age-appropriate time-passers like cards, crayons, coloring books, story books, etc.
Latex-free gloves.
Sunscreen.
Small flashlight and batteries with extra batteries.
Pad of paper and pen.
