Introduction

Section 1309 (b) of Act 1 of Special Session of 2005-2006, also known as the Taxpayer Relief Act, requires the Department of Revenue to submit the following annual report concerning the Property Tax/Rent Rebate program. The report is to include the following information:

- (1) The total number of claims which will be paid in the fiscal year in which the report is issued with the information provided by school district, by county and for each household income level.
- (2) The total amount of rebates paid in the fiscal year in which the report is issued with the information provided by school district, by county and for each household income level.

It is anticipated that 586,508 of the claims received through September 1, 2009 will be paid, representing an increase of 14,553 claimants, or 2.5%, from the previous year at this time. Of these claims, it is anticipated that 118,444 applicants will also receive the additional PTRR supplements available to certain homeowners making less than \$30,000 a year.

This report is based on submitted applications. Not all data has been validated by the Department. Additional applications are expected to be received between September 1, 2009 and the deadline on December 31, 2009. These are not included in this report. Also omitted are applications that it is assumed will be denied because they do not meet the statutory income eligibility requirements. Historically, full denials represent approximately 3 percent of total claims paid.

Eligibility

Pennsylvania's Property Tax Rent Rebate (PTRR) program was established under Act 3 of 1971, also known as the Senior Citizens Rebate and Assistance Act. The PTRR program is designed to assist Pennsylvania's elderly, widows, widowers, and permanently disabled citizens in maintaining peaceable possession of their homesteads by providing tax relief in the form of rebates.

Beneficiaries of the PTRR program include citizens age 65 and older, widows and widowers age 50 and over, and people with disabilities age 18 and over. Homeowners and renters who meet these requirements may be eligible to receive a rebate for a portion of the property taxes or rent paid on their occupied residence. Applicants who paid both property taxes and rent any time during the applicable tax year fall under the category of Owner/Renter and are also eligible for a rebate. Historically, eligible claimants were required to have an annual income of \$15,000 or less. Pennsylvania defines PTRR income as the total household income minus 50 percent of Social Security and/or Railroad Retirement Benefits.¹

¹ Beginning in 1999. See Act 30 of 1999.

Calculation of Rebate

Prior to Act 1 of 2006, PTRR rebates were calculated as a percentage of property taxes or rent rebate in lieu of property taxes (20 percent of rent) paid for a particular claim year. Renter rebate percentages assume that 20 percent of the total rent paid by an individual is used by the landlord to satisfy the real estate taxes on the rented property. Below are the rebate percentage tables applicable for 1973-1984 and 1985-2004 claim years.

² Act 272 of 1978 increased each income bracket by \$1,500 and raised the maximum rebate from \$200 to \$400 beginning with claim year 1978.

2

³ Act 56 of 1982 increased each income bracket by \$500 and raised the maximum rebate from \$400 to \$600 beginning with claim year 1981.

⁴ Act 53 of 1985 increased household income eligibility to \$15,000 from \$11,999 beginning with claim year 1985.

Inflation Dividends

As a result of Act 131 of 1979, all recipients of PTRR automatically received an inflation dividend ranging from \$20.00 to \$125.00 for claim years 1979-1990. The amount of Inflation Dividend was based on household income as reported on the PTRR claim form and was fixed according to the income brackets below:

Inflation Dividends (1979-1990)⁵

Act 1 of 2006

On June 27, 2006, Governor Rendell signed into law Act 1 of 2006, also known as the Taxpayer Relief Act. The Act increased the income eligibility requirements for PTRR from \$15,000 to \$35,000 for homeowners and boosted the maximum rebate from \$500 to \$650 for all recipients. Eligibility for renters remained at the current provision of income less than \$15,000.

The PTRR payment schedule was also streamlined, replacing the percentages with flat rebate amounts based on income. Claims for calendar year 2009 were determined using the total amount of real property taxes paid and the total amount of rent rebate in lieu of property taxes, or the maximum rebate amount (whichever is less). The following table summarizes the new rebate parameters pursuant to Act 1.

⁵ Act 36 of 1991 eliminated Inflation Dividends beginning with claim year 1990.

Act 1 also provides for additional tax relief to certain seniors making less than \$30,000 per year. Seniors living in Philadelphia, Pittsburgh, or Scranton areas will see their PTRR rebate increase by an additional 50 percent. Seniors residing in the rest of the state who pay more than 15 percent of their income in property taxes will also receive the 50 percent rebate boost. These provisions first took effect in calendar year 2008 when the amount available from gaming revenue, designated for property tax relief, surpassed \$400 million as required by law. These additional PTRR supplements are only applicable to homeowners.
