

STATE TAX COMPLIANCE

Within the next few weeks real estate licensees who owe Pennsylvania state taxes will be receiving letters from the Commission directing the licensee to contact Michael Martin of the Pennsylvania Department of Revenue to resolve the issue. Since the Commission does not have licensees' tax records, please *do not* contact the Commission about this issue. Instead, please contact Mr. Martin directly at: (717) 214-1962 or e-mail him at micmartin@state.pa.us.
