(5) An individual who passed the Uniform CPA Examination and holds a valid license to practice public accounting issued by any other state on or before December 31, 2011, may be exempt from the education requirements in section 4.2(b)(3)(i) and (c) of this act for purposes of this section.

(6) If the board imposes discipline on an individual exercising the right to practice under this section, the board shall, as soon as practicable, notify the board of accountancy or other regulatory authority in each state where the board has learned during the disciplinary process that the individual has been granted a certificate or license to practice public accounting of the imposition of the discipline. If the order imposing discipline is appealed or stayed, the board shall send a subsequent notice to each regulatory authority advising of the filing of the appeal or entry of the stay. As an alternative to sending the notices to each regulatory authority, the board may send the notices instead to a multistate enforcement information network maintained at the time by AICPA or NASBA. The board may furnish investigative information and the hearing record relating to the disciplinary proceeding to such other regulatory authorities upon request.

(7) An individual exercising the right to practice under this section may identify the fact that the individual practices with a partnership, corporation or other association and may use its name even if the partnership, corporation or other association is not a licensee.

(8) An individual practicing under this section or a firm or qualified unlicensed entity practicing under section 5.4 may provide professional services in this Commonwealth in the same manner as a licensee, including without limitation, in person or by mail, telephone or electronic means.

(9) The board shall not require a filing or payment of a fee by an individual, firm or qualified unlicensed entity in connection with practicing under this section or section 5.4.

(5.2 added July 9, 2008, P.L.954, No.73)

Section 5.3. Practice outside this Commonwealth under Substantial Equivalency.--(a) A licensee who practices public accounting in another jurisdiction under substantial equivalency shall be subject to disciplinary action in this Commonwealth for an act or omission in the other jurisdiction if the act or omission:

(1) subjects the licensee to discipline in the other jurisdiction; or

(2) would subject the licensee to discipline in this Commonwealth.

(b) The board shall investigate any complaint made by the board of accountancy or other regulatory authority of another state against a licensee.

(5.3 added July 9, 2008, P.L.954, No.73)

Section 5.4. Practice by Firms and Unlicensed Entities under Substantial Equivalency.--(a) A firm may practice public accounting in this Commonwealth through an individual who is not a licensee if the individual has the right to practice in this Commonwealth under section 5.2 of this act and if the state the firm is licensed in has also adopted into law a provision allowing for practice under substantial equivalency that includes no notice and no fee as provided for in section 5.2(b)(9) of this act. The exercise by a firm of the right to practice through such individuals under this subsection constitutes an agreement by the firm:

(1) to be subject to the jurisdiction and disciplinary authority of the board with respect to acts or omissions of the individuals through whom it practices under this subsection;

(2) to accept service of process from the board on behalf of the individuals through whom it practices under this subsection; and

(3) to cooperate in any investigation by the board involving an individual through which the firm has practiced under this subsection even if the individual is no longer an owner of or employed by the firm.

(b) A qualified unlicensed entity may practice public accounting in this Commonwealth through an individual who:

(1) has the right to practice in this Commonwealth under section 5.2 of this act; or

(2) is a licensee.

(c) The exercise by a qualified unlicensed entity of the right to practice in this Commonwealth under subsection (b) constitutes:

(1) sufficient contact with this Commonwealth for the exercise of personal jurisdiction by the board and the courts of this Commonwealth over the qualified unlicensed entity in any action or proceeding arising out of acts or omissions by an individual associated with the qualified unlicensed entity in any capacity;

(2) consent by the qualified unlicensed entity to the personal and subject matter jurisdiction and disciplinary authority of the board;

(3) an agreement by the qualified unlicensed entity to comply with the provisions of this act and regulations promulgated by the board; and

(4) consent by the qualified unlicensed entity to the appointment of the board of accountancy or other regulatory authority of the state in which the principal place of business of the qualified unlicensed entity is located as the agent upon which process may be served in any action or proceeding by the board against the qualified unlicensed entity.

(d) As used in this section "qualified unlicensed entity" means a partnership, corporation or other association that:

(1) is not a licensee;

(2) does not have an office in this Commonwealth; and

(3) may lawfully practice public accounting in another state.

(5.4 added July 9, 2008, P.L.954, No.73)

Section 6. Fees.--(a) All fees required under the provisions of this act shall be fixed by the board, by regulation and shall be subject to review in accordance with the act of June 25, 1982 (P.L.633, No.181), known as the "Regulatory Review Act." If the revenues generated by fees, fines and civil penalties imposed in accordance with the provisions of this act are not sufficient to match expenditures over a two-year period, the board shall increase those fees by regulation, subject to review in accordance with the "Regulatory Review Act," such that the projected revenues will meet or exceed projected expenditures.

(b) If the Bureau of Professional and Occupational Affairs determines that the fees established by the board are inadequate to meet the minimum enforcement efforts required, then the bureau, after consultation with the board, shall increase the fees by regulation, subject to review in accordance with the "Regulatory Review Act," such that adequate revenues are raised to meet the required enforcement effort.

(6 reenacted Dec. 4, 1996, P.L.851, No.140)

Section 7. Status of Existing Rights Preserved.--Any person legally authorized to practice public accounting in this Commonwealth at the time this act or any amendment of this act takes effect shall thereafter possess the same rights and privileges as persons to whom certificates of certified public accountant shall be issued under this act, subject, however, to the power of the board, as provided in this act, to discipline any such person for any of the causes set forth in this act and subject to the power of the board to provide for and to require permits to practice.

(7 amended Dec. 4, 1996, P.L.851, No.140)

Section 8. Rights of Candidates Heretofore Accepted by the Board; Servicemen.--(8 repealed Sept. 2, 1961, P.L.1165, No.524)

Section 8.1. Registration of Foreign Accountants, Partnerships, Professional Corporations, or Professional Associations.--(8.1 repealed Mar. 7, 1984, P.L.106, No.23)

Section 8.2. Licenses to Practice.--(a) Biennial licenses to engage in the practice of public accounting in this Commonwealth shall be issued by the Department of State upon payment of the biennial licensing fee to (i) holders of the certificate of certified public accountant issued by this Commonwealth and public accountants registered in this Commonwealth who have certified to the board that they have complied with the requirements of subsection (b) of this section and (ii) qualified associations licensed under section 8.8 of this act. Licenses to practice shall expire on the last day of December of odd-numbered years or on such other biennial expiration dates as the department may fix. The renewal application of a certified public accountant or public accountant does not need to list the continuing education courses taken by the applicant except as provided by the rules and regulations of the board.

(a.1) A certified public accountant or public accountant who is not engaged in the practice of public accounting may request the board, in writing, to place his name on the inactive roll and thus protect his right to obtain a license at such time as he may become engaged in the practice of public accounting.

(b) Each certified public accountant and public accountant filing an application for a license or a renewal thereof to engage in the practice of public accounting in this Commonwealth must, during the reporting period immediately preceding the current biennial period, complete eighty hours of continuing education, in programs approved by the board. The reporting period for licensees shall be January 1 of even-numbered years to December 31 of odd-numbered years. No carry-over of credits shall be permitted from one biennial license period to another. The continuing education requirement shall not apply to firms but shall apply to all natural persons who apply for a license or a renewal thereof under this section.

(c) Failure by a licensed certified public accountant or public accountant applying for renewal of his biennial license to furnish a certification of completion of the required number of hours of acceptable continuing education shall constitute grounds for denial or refusal to renew such license, unless the board, in its discretion, shall determine that the failure to complete the required continuing education was due to reasonable cause, in which case the board shall grant an extension.

(d) In issuing rules, regulations and individual orders with respect to requirements of continuing education, the board may rely upon guidelines and pronouncements of recognized educational and professional organizations; may prescribe for content, duration and organization of courses; shall take into account the accessibility of such continuing education as it may require, and any impediments to interstate practice of public accounting which may result from differences in such requirements in other states; and may provide for relaxation or suspension of such requirements in instances of individual hardship such as for reasons of health, military service or other good cause.

(e) A certified public accountant or public accountant who is also certified, registered or licensed to practice public accounting in any other state or foreign jurisdiction shall report this information to the board on the biennial renewal application. Any disciplinary action taken in any other state or foreign jurisdiction shall be reported to the board on the biennial renewal application or within thirty days of disposition, whichever is sooner. Multiple certification, registration or licensure shall be noted by the board on the record of the certified public accountant or public accountant, and the other state or foreign jurisdiction shall be notified by the board within

thirty days after any disciplinary action is taken against the certified public accountant or public accountant in this Commonwealth.

(f) An initial or renewal license shall not be issued after April 30, 2000, to a certified public accountant or public accountant practicing as a sole practitioner unless he complies with the requirements of section 8.9 of this act.

Section 8.8. Licensing of Firms.--(a) A person other than an individual shall not practice public accounting in this Commonwealth unless it is a qualified association, has been granted a license to practice and satisfies the requirements of this section at all times while it is a licensee. A new firm shall apply for its initial license within thirty days after its formation; thereafter, the firm's license shall be subject to renewal in accordance with section 8.2 of this act.

(b) The initial and all renewal license applications by a firm shall:

(1) List the name, home address and license number of each certified public accountant or public accountant who owns an equity interest directly or indirectly in the firm and who is a licensee.

(2) List the name and home address of each qualified nonlicensee who owns an equity interest in the firm if the principal residence or the office out of which the individual principally practices is located in this Commonwealth.

(3) Include a statement that the firm is in compliance with subsections (d) and (e).

(c) An initial or renewal license shall not be issued to a firm after April 30, 2000, unless the firm complies with the requirements of section 8.9 of this act.

(d) A firm shall satisfy all of the following requirements:

(1) At least one general partner if the firm is a partnership, one record and beneficial owner of common shares if the firm is a corporation or one owner of a similar equity interest if the firm is any other form of qualified association shall be a certified public accountant or public accountant who is a licensee.

(2) Except as provided in subsections (e) and (f), each shareholder, partner, member or other owner of an equity interest in the firm must be the holder of a current license to practice public accounting as a certified public accountant or public accountant under the laws of this Commonwealth or another jurisdiction. This clause shall not:

(i) apply in the case of a person who withdraws from a firm for such period as may be reasonable under the circumstances to permit the firm to comply with this requirement; or

(ii) prohibit payments by a firm to a former equity owner or his estate in connection with his withdrawal from the firm.

(3) Each individual in charge of an office that performs any attest activity or business unit of the firm in this Commonwealth shall be a certified public accountant or public accountant who is a licensee.

(4) The principal executive officer of the firm shall be a certified public accountant or public accountant who holds a current license to practice public accounting in this Commonwealth or another state.

(5) An individual who does not hold a current license to practice public accounting as a certified public accountant or public accountant in this Commonwealth or another state or foreign jurisdiction shall not assume ultimate responsibility for any attest activity.

(e) Notwithstanding any other provision of law, a qualified nonlicensee may own an equity interest in a firm if all of the following conditions are met:

(1) All of the qualified nonlicensees owning equity interests in the firm shall not:

(i) own in the aggregate equity interests in the firm entitling them to cast more than forty-nine percent of the votes on any issue or to receive more than forty-nine percent of any dividend or other distribution of profits or assets of the firm; or

(ii) constitute more than forty-nine percent in number of the owners of equity interests in the firm.

(2) The qualified nonlicensee shall not hold himself out as a certified public accountant or public accountant.

(3) The qualified nonlicensee shall be permitted to designate or refer to himself as a principal, owner, officer, member or shareholder of the firm. The qualified nonlicensee may also use such other titles as may be authorized by the regulations of the board.

(4) The qualified nonlicensee shall not:

(ii) be in violation of any regulation of the board regarding the character or conduct of a qualified nonlicensee who is the owner of an equity interest in a firm.

(5) The participation of the qualified nonlicensee in the business of the firm must be the principal occupation of the individual and shall be in the nature of providing services to the firm or clients of the firm and not solely as an investor or in another commercial or passive capacity.

(6) The qualified nonlicensee has graduated with a baccalaureate or higher degree from a college or university approved at the time of graduation by the Department of Education.

(7) The qualified nonlicensee shall comply with all applicable provisions of this act and the regulations of the board.

(f) An equity interest in a firm may be owned indirectly but only if all of the ultimate, indirect beneficial owners of the equity interest are licensees.

(g) In accordance with the procedure referred to in section 9 of this act, the board may revoke the license to practice of a firm if at any time it is in violation of any of the provisions of this section.

(8.8 amended July 9, 2008, P.L.954, No.73)

Section 8.9. Peer Review.--(a) As a condition for granting a firm a renewal license, or an initial license in the case of a firm that has previously been engaged in practice in another jurisdiction, the board shall require that the firm undergo a peer review in accordance with this section unless the firm meets one of the exemptions in subsection (g). The initial or renewal license application of a firm that does not meet one of those exemptions shall include a certification that the firm is in compliance with this section and shall state the name of the organization administering the firm's most recent peer review, the date of acceptance of that peer review and the period covered by that peer review. The board shall not require submittal of the letter of acceptance, peer review report, letter of comment, letter of response or working papers related to the peer review process, but the board may require the organization administering the firm's most recent peer review to confirm the date of acceptance and the period covered by that peer review. As used in this section, the term "firm" includes, but is not limited to, a sole practitioner. ((a) amended July 9, 2008, P.L.954, No.73)

(b) A firm with less than three licensees shall not be required to undergo a peer review more frequently than once every five years and a firm with three or more licensees shall not be required to undergo a peer review more frequently than once every three years, except that:

(1) The board may order a firm that has been disciplined under section 9.1 of this act or that has been ordered to take remedial action under subsection (e) to undergo a peer review more frequently.

(2) A new firm that is not subject to subsection (j) shall undergo its first peer review within eighteen months after it is granted its initial license.

(2.2) A firm that was not previously required to undergo a peer review must notify the board within thirty days after accepting an engagement to perform an attest activity other than a compilation and shall undergo a peer review within eighteen months after commencing the engagement.

(3) The regulations of the board may lengthen any of the periods between required peer reviews prescribed in this subsection in such manner, under such circumstances or with respect to such firms as the board in its discretion may consider appropriate.

((b) amended July 9, 2008, P.L.954, No.73)

(c) The board shall adopt regulations establishing guidelines for peer reviews which shall:

(1) Require that a peer review be conducted pursuant to a program and standards approved by the board. The board shall approve only peer review programs that the board finds comply with established standards for performing and reporting on peer reviews.

(2) Require that a peer review be conducted by a reviewer that is independent of the firm reviewed, qualified pursuant to board rules and approved by the organization administering the peer review program.

(3) Other than in the peer review process, prohibit the use or public disclosure of information obtained by the reviewer, any organization administering an approved peer review program or the board during or in connection with the peer review process. The requirement that information not be publicly disclosed shall not apply to a hearing before the board that the firm requests be public under subsection (e) or to the information described in subsection (h)(3).

(d) (1) The peer review of a firm that performs one or more audits of historical financial statements or examinations of prospective financial information shall be a system review, including a study and evaluation of a representative selection of audit, examination, review and compilation reports, the financial information upon which those reports were based and the associated working papers. The system review shall include additional

procedures relating to the firm's system of quality control sufficient to provide the reviewer with a reasonable basis upon which to issue a peer review report.

(2) The peer review of a firm that performs no audit or examination engagements but does perform one or more review engagements shall be required only to be an engagement review, including a study and evaluation of a representative selection of reports issued by the firm and the financial information upon which those reports were based; but, if such a firm elects to have a system review, that review shall also be acceptable. The engagement review shall include a study of the associated working papers and procedures and inquiries sufficient to provide the reviewer with a reasonable basis upon which to issue a peer review report.

(3) A firm that does not perform any audits or reviews, regardless of whether or not the firm performs compilations, shall be exempt from the requirement to undergo a peer review to the extent provided in subsection (g)(2).

((d) amended July 9, 2008, P.L.954, No.73)

(e) If a firm does not comply with any remedial actions determined appropriate by the administering organization, the administering organization shall refer the matter to the board to determine if further action under this subsection is warranted. The board may at its discretion or shall upon submission of a written application by the firm hold a hearing to determine whether the firm complies with the appropriate professional standards and practices. The hearing shall be confidential and shall not be open to the public unless requested by the firm. If the board after conducting a hearing determines that the firm complies with the appropriate professional standards and practices, it shall issue an order requiring the reviewer and the administering organization to take any necessary action to record and implement the board's determination and to restore the status of compliance of the firm. However, if the board after conducting the hearing determines that the firm does not comply with the appropriate professional standards and practices, it may issue an order that requires both of the following:

(1) Remedial action, which may include any or all of the following:

(i) Requiring employees of the firm to complete general or specific continuing professional education courses.

(ii) Requiring the firm to undergo a peer review more frequently than every three years.

(iii) Any other remedial action specified by the board.

(2) An affidavit from the firm submitted within the time specified by the board indicating completion of the required remedial actions.

(f) The firm reviewed shall pay for any peer review performed.

(g) A firm shall be exempt from the requirement to undergo a peer review if all of the following apply:

(1) Within three years before the date of application for initial or renewal licensure, the firm has undergone a peer review conducted in another state or foreign jurisdiction which meets the requirements of subsection (c)(1) and (2). The firm shall submit to the board a letter from the organization administering the firm's most recent peer review stating the date on which the peer review was completed.

(2) The firm satisfies all of the following conditions:

(i) During the preceding two years, the firm has not accepted or performed any audit or review engagement.

(ii) Within the next two years, the firm does not intend to accept or perform any audit or review engagement.

(iii) (Deleted by amendment).

(3) For reasons of personal health, military service or other good cause, the board determines that the firm is entitled to an exemption for a period of time not to exceed twelve months.

((g) amended July 9, 2008, P.L.954, No.73)

(h) In any civil action, arbitration or administrative proceeding, regardless of whether a licensee is a party thereto, all of the following shall apply:

(1) The proceedings, records (including, without limitation, letters of acceptance, peer review reports, letters of comment and letters of response) and working papers related to the peer review process of any reviewer, administering organization or board member are privileged and not subject to discovery, subpoena or other means of legal process and may not be introduced into evidence.

(2) No employee, member or agent of an administering organization, reviewer or board member shall be permitted or required to testify as to any matters produced, presented, disclosed or discussed during or in connection with the peer review process or be required to testify to any finding, recommendation, evaluation, opinion or other actions of any person in connection with the peer review process.

(3) No privilege exists under this subsection:

(i) For information presented or considered in the peer review process that was otherwise available to the public.

(ii) For material not prepared in connection with a peer review merely because they subsequently are presented or considered as part of the peer review process.

(iii) In connection with an administrative proceeding or related civil action brought for the purpose of enforcing this section.

(i) If a peer review report indicates that a firm complies with the appropriate professional standards and practices set forth in the regulations of the board, the administering organization shall destroy all working papers and documents, other than report-related documents, related to the peer review within ninety days after issuance to the firm of the letter of acceptance by the administering organization. If a peer review letter of acceptance indicates that corrective action by a firm is required, the administering organization may retain documents and reports related to the peer review until completion of the next peer review or other agreed-to corrective actions.

(j) In the event the practices of two or more firms are merged or otherwise combined, the surviving firm shall retain the peer review year of the largest firm, as determined by the number of accounting and auditing hours of each of the practices. In the event that the practice of a firm is divided or a portion of its practice is sold or otherwise transferred, any firm acquiring some or all of the practice that does not already have its own review year shall retain the review year of the former firm. In the event that the first peer review of a firm that would otherwise be required by this subsection would be less than twelve months after its previous review, a review year shall be assigned by the administering organization so that the firm's next peer review occurs after not less than twelve months of operation, but not later than eighteen months of operation.

(k) (1) None of the following persons shall be held to have violated any criminal law or to be civilly liable by reason of the performance by him or it of any duty, function or activity under this section so long as the person has not engaged in recklessness or willful misconduct:

(i) reviewers;

(ii) the administering organization or any of its members, employees or agents or any person furnishing professional counsel or services to the administering organization; or

(iii) board members.

(2) Subsection (h) shall not apply to the defense of a claim alleging conduct not protected under clause (1).

(l) This section shall apply as follows:

(1) Except as provided in clause (2), this section shall take effect on February 3, 1997. This clause includes without limitation effectiveness for the purposes of permitting the board to promulgate the regulations under subsection (c) and of applying subsections (h) and (k).

(2) This section shall not become applicable to firms and no firm shall be required to undergo a peer review under this section until May 1, 2000, except that this section shall not become applicable until May 1, 2004, to a firm that has not accepted or performed any audit engagements during the period May 1, 1998, through April 30, 2004.

(m) The fees charged by an administering organization under this section shall not vary depending on whether or not a firm or some or all of its owners or employees are members of the administering organization.

((m) added July 9, 2008, P.L.954, No.73)

(8.9 added Dec. 4, 1996, P.L.851, No.140)
