Harrisburg, PA 17112

Friday, April 5, 2013

11:30 a.m. – 12:30 p.m.

Join the Pennsylvania Department of Health/Bureau of Emergency Medical Services and Acting Secretary of Health, Michael Wolf, to learn hands-only CPR. If a loved one suddenly collapsed, would you know what to do? Almost 80 percent of sudden cardiac arrests happen at home and are witnessed by a loved one. Put very simply: The life you save with CPR is most likely to be the life of someone you love.
