Law Enforcement We Have You Covered

If you are a police officer, the Victims Compensation Assistance Program may be able to provide you with financial assistance, if you were injured as a direct result of a crime that occurred in Pennsylvania.

The Program may be able to help you with medical, counseling expenses, overtime wages not covered by workers' compensation, and home healthcare.

The Program can reimburse expenses that have not been paid by another source such as insurance benefits, including the Heart and Lung Fund.

Other benefits are also available.
